WHAT ARE CAPITAL CREDITS?

Members pay their monthly electric bill.

Sun River Electric keeps track of how much each member pays yearly.

SREC financials are audited.

At the end of the year financials are assessed to determine excess revenue.

SREC allocates capital credits and sends notices to all members in June.

Excess margins are divided amongst members based on how much each member pays for electricity for the year.

The Board of Directors decides on the amount to pay back to the members based on the financial condition of the cooperative.

Capital Credit refund checks are issued and mailed in March in conjunction with the Annual Meeting.

30 years of Dolly's Imagination Library

In 1995, Dolly Parton launched an exciting new effort, Dolly Parton's Imagination Library, to benefit the children of her home county in East Tennessee.

Dolly's vision was to foster a love of reading among her county's preschool children and their families. Her program inspires a love of reading by gifting books free of charge each month to children from birth to age five, through funding shared by Dolly Parton and local community partners. Inspired by her

father's inability to read and write, Dolly started her Imagination Library.

Today, her program spans five countries and gifts millions of free books each month to children around the

world. Sun River Electric Cooperative helps fund the Imagination Library books for 10 zip codes within our service territory. There are 342 children receiving books, and 235 children have

graduated from the program.

You can register for the program online at imaginationlibrary.com or scan the QR code. 

REMINDER:

Bills not paid by the 10th of the month will be charged a \$10 late fee.
