## OR Operation Round-Up

Operation Round-up is a charitable fund program designed to financially help individuals, families or groups in need within the Sun River Electric Cooperative (SREC) service area. The fund is made of change from SREC consumers who have rounded up their monthly billing to the nearest dollar. Example: If you sign up for Operation Round-Up and your monthly bill is \$117.30, it would be rounded up to \$118. The extra 70 cents goes into the fund.

At this time there are 300 consumers participating in the program. SREC's Operation Round-Up has donated to the Teton County Ambulance for new CPR training equipment, Conrad's City Hall for handicapped entrance doors, Pondera Medical Center for the purchase of a newer handicapped van and to the Greenfield School for an automated external defibrillator (AED). If you are interested in signing up or have a request for a donation, give SREC a call.

## DAYLIGHT SAVING TIME

Don't forget to spring forward on **March 11!**  
Set your clocks ahead by one hour.

# Employees attend lifesaving course

Sun River Electric Cooperative's employees recently attended a Basic First-Aid, CPR and AED class certification and refresher course. Pictured are Scott Steyee, Mike Faith, Brad Bauman and Joe Irvin with Teton County EMS Director Deb Coverdell.

## Energy Efficiency Tip of the Month

Make sure your refrigerator door seals are airtight for maximum energy efficiency. Test the seal by closing the door over a piece of paper (so that it's half in and half out). If you can easily pull the piece of paper out, your seal may need to be replaced or the latch may need to be adjusted.
