please use: 467-2526 or 467-2527

Be sure to check your breakers before reporting outages.

OCTOBER 2018

Sun River Electric Cooperative Observing National Co-op Month in October

Sun River Electric Cooperative is joining 30,000 cooperatives nationwide in October to celebrate National Co-op Month, which recognizes the many ways cooperatives are committed to strengthening the local communities they serve. “Co-ops Commit” is the theme for this year’s celebration, spotlighting the countless ways cooperatives meet the needs of their members and communities.

“Our cooperative delivers electricity to 3,213 member-owners in our eight-county service area of north-central Montana,” said Member Services Representative Ross Oveson. “Delivering safe, reliable, affordable power is our top priority, but we are also invested in our communities because we are locally owned and operated. Revenue generated by Sun River Electric goes back to Main Street, not Wall Street.”

Rural America is served by a network of about 900 electric cooperatives, most of which were formed in the 1930s and ‘40s to bring electricity to farms and rural communities that large, investor-owned power companies had no interest in serving because of the higher costs involved in serving low-population and low-density areas. 363698

Sun River Electric Cooperative Stats:

2,812 — Miles of Line

1.10 — Members per Mile

8 — Counties Served

1938 — Year SREC was Energized

Don't Forget — Washington, D.C. Youth Tour Essay Contest

The plans are underway for the NRECA 2019 Rural Electric Youth Tour to Washington, D.C. The dates for the tour are June 15-21, 2019. The topic for this year's essay is: "What would your day be like without electricity?"

- The student must be a junior or senior in high school in the fall of 2019.
- The student and/or parent or guardian must be served by Sun River Electric Cooperative.

- Essay must include a cover page with the student's name, address and telephone number.
- Submit the essay to Sun River Electric by November 30, 2018.

If you have any questions please feel free to call Ross at SREC, 467-2526 or 1-800-452-7516.

Energy Efficiency Tip of the Month

Cooler temps are just around the corner! Is your home's heating system ready? Remember to replace furnace filters once a month or as recommended. If you heat your home with warm-air registers, baseboard heaters or radiators, remember to clean them regularly to increase efficiency.
