SREC wins 2019 NWPPA Safety Award

The 2019 Northwest Public Power Association (NWPPA) Safety Award winners were announced at the Engineering & Operations Conference in Spokane, WA. Safety contest awards are based on a review of each utility's safety contest form, the number of recordable injury/illness cases (the incident rate) in 2018, and the lost work days (the severity rate) in 2018. Sun River Electric Cooperative is in the 40,001-80,000 hours of exposure category. SREC is proud of 17 years of no-lost-time accidents. Congratulations to the employees!

Operation Round-Up Update

Operation Round-Up is a charitable fund program designed to financially help community groups in need within the Sun River Electric Cooperative (SREC) service area. The fund is made of change from SREC members who have rounded up their monthly billing to the nearest dollar. For example; if you sign up for Operation Round-Up and your monthly bill is \$64.35, it would be rounded up to \$65. The extra 65 cents goes into the fund.

At this time there are 313 members

participating in the program. SREC's Operation Round-Up has donated to the Teton County Ambulance for new CPR training equipment, Conrad's City Hall for handicap-accessible entrance doors, Pondera Medical Center for the purchase of a newer handicap-accessible van and to the Greenfield School for an automated external defibrillator (AED).

If you are interested in signing up to donate or have a request for a donation, give SREC a call at 406-467-2527.
