AUGUST 2021

Save more money with SREC electric heat rate program

You could save 5 to 20 percent

Sun River Electric Cooperative (SREC) will be offering a new cost-saving rate for those who use electric heat as their primary heating source. The heat source can be an electric furnace, electric baseboard electric boiler, or ground/air-source heat systems.

The new rate will be 3 cents per kilowatt-hour less than the residential kilowatt-hour rate. Depending on your heating type, the savings during the heating season (October – April) could range from 5 percent to 20 percent. Basin Electric Power Cooperative is the electric supplier behind this offering. 225167

SREC will provide the meter and meter base, which must be mounted outside the house. There WILL NOT be a second base meter charge for the second meter. The member is responsible for all the wiring, and inspection of the wiring will be done by SREC when the meter is placed. For more details, call the office or look on SREC's website: www.sunriverelectric.coop. RM

WE'VE GOT REBATE\$

Don't forget that Sun River Electric Cooperative has rebates for household appliances. SREC offers \$25 rebates on clothes washers or dryers, dishwashers, refrigerators and freezers that are Energy-Star compliant.

Just download the rebate form from SREC's website, www.sunriverelectric.coop, fill it out, attach a copy of the receipt and send it to SREC. SREC will then review the form and credit your account \$25 per compliant appliance. Energy Star-rated appliances can be found at www.energystar.gov.

Also remember that SREC offers a \$100 rebate on electric water heaters. To be eligible, the water heater has to be at least 90-percent efficient. The water heater rebate form is also on SREC's website, download it, fill it out and send it in with a copy of the receipt to get the \$100 credit. The water heater must be at least 40-gallon capacity.

All rebates must be submitted within 90 days of purchase.

If you have any questions about rebates, call SREC at 467-2526 or 1-800-452-7516.
